- I deal with clients
- Intermediate English

EDUCATION

- **Mechatronics Engineering**
Mondragon University
2022-Present
- **High School**
Instituto Queretano San Javier
2019-2022

PROFILE

I am a very calm, patient, respectful and educated person. Willing to learn about machines and manufacturing, their operation and processes, and to carry out any task assigned to me. I want to meet professionals who know about robotics and programming so I can improve my performance and gain more experience.

LABORAL EXPERIENCE

Academic Experience

Mondragon University
Project for a wagon with an infrared sensor,
manufacturing of a cup warmer and project for
a sprinkler with a humidity sensor.
